

HOSP-ECO NEWSLETTER

NEWS

1. Polytechnic Institute of Porto, Portugal presented in the International Conference in Tourism Research (ICTR2024) the key strategies to improve environmental sustainability in Hospitality and Tourism resulting from the preliminar results of Focus Group of HOSP-ECO project developed in Portugal. ICTR2024 took place at Hotel School of Cape Peninsula University of Technology, in Cape Town, South Africa.
2. ETHNIC continues to share its message and present the project's objectives.

3RD TRANSNATIONAL PARTNER MEETING

The 3rd Transnational Partner Meeting (TPM) was held in Barcelona, Spain in May 2024 and was hosted by ETHNIC Sustainable Tourism Association, Spain.

During the partner meeting, HOSP-ECO partners focused on the current stage of the project's implementation, celebrating the milestones achieved and the collaborative efforts of everyone involved.

Looking ahead, we're excited about:

- The finalization of our e-tool that promises to enhance learning and operational efficiency.
- An update to our website to keep our community informed and engaged.
- Multiplier events that will spread our vision and findings far and wide.
- The Training of Trainers event in Vienna, a cornerstone in empowering educators.
- The completion of training materials that form the core of our innovative hospitality curriculum.

STAY TUNED FOR:

- The upcoming 'Train the trainer' training. (27th - 28th of November, Vienna, Austria)
- Last Transnational Partner Meeting. (29th of November, Vienna, Austria)
- Multiplier Events (December)
