Outcomes from the TALENT project

As the TALENT project is coming to its end, all partners are proud to present the outcomes that have been developed throughout the project's lifetime (all available on the project's website: <https://talent-edu.eu/>):

1. Standards for the recognition of talented children (<https://talent-edu.eu/standards/>)
2. Recognition of talented children Training Material (<https://talent-edu.eu/repository/>)
3. Recommendations for social inclusion of talented kids (targeting parents, coaches, teachers, sports clubs, decision makers) (<https://talent-edu.eu/repository/>)
4. E-STOP Platform (<https://app.talent-edu.eu/auth/serviceProvider-public/create>)

Everything was discussed and finalised during the project's Final Transnational Partners Meeting and Final Conference that took place on 10-11 April 2025, in Sarajevo (Bosnia Herzegovina).
